SOAPS

- **RAINFOREST** – zesty! Cooling! Invigorating! It contains peppermint with menthol
- **OCEAN FRONT** – it's the lavender bar (lovely, popular floral), a calming essential oil that relaxes you
- **ORANGE GROVE** – cheerful and uplifting, it boosts positivity! Orange is also beneficial to skin (promoting clarity, radiance, and smoothness, thereby reducing the signs of acne and other uncomfortable skin conditions)
- **OATMEAL & HONEY** – moisturizing, exfoliating, relieves itching and psoriasis
- **GOAT MILK (SOAP)** – nourishing, gentle, often used for children and sensitive skin
- **PITCH LAKE** - a great facial bar. It contains ingredients to detoxify, draw out impurities, unclog pores. Ingredients that are great for treating acne and other problem skin conditions.
- **PITCH LAKE LITE** – a milder salt bar (without the Sulphur scent). Salt bars are increasing in popularity as they have a very luxurious feel while offering minerals like magnesium, zinc, calcium, potassium that benefit skin. Sea salt is a natural humectant - it draws moisture to your skin,

which helps to retain moisture, resulting in soft skin without skin being left feeling greasy. This bar is a gentle exfoliant that also assists with the regulation of skin oils.

- **CASTILE** – Made with 100% fine olive oil – the REAL castile! - this soap is famously the mildest of soaps. True Castile soaps improves with age (fine wine of soaps) becoming more lotion-like after a year of curing. Like all our handmade soaps, the natural and gentle ingredients in the Castile bar makes it ideal for sensitive skin and skin prone to diseases like psoriasis and allergies that trigger eczema.
- **COCOA PLANTATION** – This soap contains more cocoa butter than the others. One common use of cocoa butter is to smooth scars, wrinkles, and other marks on the skin. Unrefined cocoa butter has a rich, sweet, chocolate-like aroma.
- **PUMPKIN SPICE** – This is our **TURMERIC** bar!! Turmeric has been found to have many benefits to skin: it can heal acne, lighten hyperpigmentation, brightens dull skin, reduce dark circles, prevent premature aging and treat psoriasis and eczema. Our pumpkin scent is complimented with essential oils of nutmeg, clove and cinnamon.

HAIR PRODUCTS

- **HYDRANT I** – a gentle but effective cleanser that won't strip hair of moisture. It contains rosemary and peppermint essential oil. Rosemary essential oil stimulates blood flow to the hair follicles, which in turn increase the delivery of oxygen and nutrients, promoting hair growth. This shampoo helps reduce irritation caused by flaking and dandruff.
- **HYDRANT II** – a great detangler and moisturizer. It smooths the hair shaft and restores shine and luster to frizzy, dry or dull hair. A rinse-out product.
- **HYDRANT III** – our recipe contains ingredients like aloe vera, rich butters and oils that condition the hair without the stubborn moisture blockers and cheap fillers (like silicones and petrolatum) used in big commercial brands. A leave-in product.
